MEMORANDUM FOR: DAD/IO
DAD/S&D

SUBJECT : Visit of Dr. Tordella, Deputy Director, NSA

1. Dr. Wheelon indicated that Dr. Tordella had been invited to visit CIA for an over-all briefing on the DD S&T. This was originally scheduled for 3 December but it will have to be rescheduled for a later time due to visit of several individuals to West Coast manufacturers.

2. I do not yet know the details of exact time that will be allowed for the OEL presentation, but if sufficient time is available, I propose the following agenda:

25X1A

OEL Organization - AD

Recent operational plans with emphasis on - DAD/IO
or his representative

25X1A

Quality ELINT program - DAD/S&D or his representative

Demonstration of automatic mission plotting -

3. Would you please be ready to give such briefings early in the month of December, possibly week of 7 December.
